Dear Santa,

Stamping is something I love to do So I'm making a little list for you.

Pick one, two, or maybe more Supplies & stamps that I'll adore.

I've been extra nice this year So, I'd really like some stampin' gear.

Just call CINDY to order from this list I really hope you're getting the gist!

And when the goodies arrive for me She'll wrap them up* for you to put under our tree!

With Love,
